

Welcome to the 2018-19 School Year!

Dear Parents,

Our Fredericksburg Academy Falcon Club and Enrichment team members are eager to welcome Lower and Middle School students for another year of fun and friendship. Our team is excited about spending time with your child! In keeping with the Academy's mission, Falcon Club is a welcoming place for prekindergarten through eighth grade students to begin their school day and a place for continued learning after school. Enrichment is where children build skills and confidence through engaging activities that are an extension of Fredericksburg Academy's top-rated learning program. We place a priority on developing such qualities as self-esteem, self-discipline, integrity, compassion, and respect for others.

All students who participate in Falcon Club and Enrichment, whether on an occasional or regular basis, must read and sign the attached Falcon Club and Enrichment Handbook acknowledgement form.

Knowing what to expect from Falcon Club and Enrichment is important to our **F**Aamilies. The Falcon Club and Enrichment page on the school website includes the Falcon Club and Enrichment Student Handbook, all fee forms, monthly snack and activity schedules, monthly newsletters, registration forms for both Enrichment classes and school closed childcare. You may also find information about Falcon Club and Enrichment in the FA Weekly or through direct emails.

Schedule

Falcon Club is open on all regular school days throughout the year. Please refer to the attached 2018 Schedule for a detailed account of dates and times. You may find our schedule posted online, www.fredericksburgacademy.org/for-families/falcon-club. This concise schedule will assist you in making necessary arrangements for childcare on days Fredericksburg Academy is closed.

School Closed Childcare

On Faculty Professional Development, Parent-Teacher Conference, and Teacher Work Days, we will offer care only to those students who are preregistered by the designated deadline. This deadline will be communicated in the school's FA Weekly, and in the monthly Falcon Club newsletter.

Fees

Please note that our fee schedule has changed for the 2018-19 school year. You may either purchase entire, half-year, or coupon cards. You may only put entire- or half-year purchases on your FACTS account at the beginning of the school year. Coupons may be purchased as needed throughout the school year by way of cash, check, or online payment. Falcon Club use is built as a pre-paid system. A \$12 per hour per child drop-in rate will apply to anyone who has not pre-purchased care. Invoices are sent out monthly and payment is due upon receipt. Failure to pay in full will incur a monthly late fee per child.

Please let us know how we can further assist you and your **F**Aamily.

Sincerely,

Amber Pritt, Falcon Club Director
