FREDERICKSBURG ACADEMY

From the Director:

Seasons greetings! The weather is getting colder as we push to the end of another year. We continue to enjoy outdoor physical activities and ask that you send in a jacket, hat, and gloves with your child. Please remember to sign your child in during morning care, and out during extended care.

During this month, you may notice new faces among our staff as we welcome former employees home from college. These employees will be with us during Winter Camps!

Winter Camps:

Pack your bags, because you're invited to become a world explorer at FA Winter Camps!

No passport required! Children will experience unique STEAM-based activities, guided games, and time for their imaginations to soar with every full- or half-day registration.

Your child will create and take home crafts based on a different country explored each day. We will be preparing food for our lunches inspired by the countries investigated.
